Though the bird is on the wing

Lean on Me - Bill Withers - ALL
1/2 x Instrumental
1/2 x Mmmmm Mmmm Mmmm ...

Sometimes in our lives we all have pain
We all have sorrow
But if we are wise
We know that there's always tomorrow

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

Please swallow your pride
If I have faith you need to borrow
For no one can fill those of your needs
That you won't let show

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

Lean on me, when you're not strong
And I'll be your friend
I'll help you carry on
For it won't be long
'Til I'm gonna need
Somebody to lean on

You just call on me brother, when you need a hand
We all need somebody to lean on
I just might have a problem that you'll understand
We all need somebody to lean on

If there is a load you have to bear
That you can't carry
I'm right up the road
I'll share your load
If you just call me

Call Me 4x

verse

I've been grinding so long, been trying this for years
And I got nothing to show, just climbing this rope right here
And if there's a man upstairs, he kept bringing me rain
But I've been sending up prayers and something's changed

I think I finally found my hallelujah
I've been waiting for this moment all my life
Now all my dreams are coming true, yeah
I've been waiting for this moment

I was dead in the water, nobody wanted me
I was old news, I went cold as cold could be
But I kept throwing on coal tryna make that fire burn
Sometimes you gotta get scars to get what you deserve
I kept moving on and now I'm moving up
Man, I'm feeling blessed with all this love

I think I finally found my hallelujah
