verse

I've been grinding so long, been trying this for years
And I got nothing to show, just climbing this rope right here
And if there's a man upstairs, he kept bringing me rain
But I've been sending up prayers and something's changed

I think I finally found my hallelujah
I've been waiting for this moment all my life
Now all my dreams are coming true, yeah
I've been waiting for this moment

CH

Good, good, good, good to be alive right about now
Good, good, good, good to be alive right about now
Hallelujah, let that bass line move ya, say hey
And it's good to be alive right about now

verse

I was dead in the water, nobody wanted me
I was old news, I went cold as cold could be
But I kept throwing on coal tryna make that fire burn
Sometimes you gotta get scars to get what you deserve
I kept moving on and now I'm moving up
Man, I'm feeling blessed with all this love

I think I finally found my hallelujah
I've been waiting for this moment all my life
Now all my dreams are coming true, yeah
I've been waiting for this moment
